

Welcome to Felpham Sailing Club – run by the members, for the members

Message from Casey Grainger - Chair of Supporters Club:

Our club seeks to provide a friendly environment for like-minded people to join together in the enjoyment of sailing, racing, training and socialising.

Felpham Sailing Club Supporters Committee has now been formed - *see information on the Website and Club Noticeboard* - in order to embrace and support all members. Unity between Sailors and Supporters Club members is paramount to the success of the club; our aim is to continue to fulfil this ambition.

My hope is that all members enjoy sailing at Felpham and continue to support and promote the club and its facilities and feel proud to be part of its tradition.

SOCIAL

We welcome social members who are interested in the sport of sailing. We appreciate that not everyone wants, or is able, to go afloat, but, nonetheless, love being near the sea, enjoying all the club has to offer, and are willing to give a little back.

Please contact Casey Grainger if you can help in any way, even if it's for just a few hours.
