

**Welcome to Felpham Sailing Club – run by the members, for the members**

**SAILING AT THE CLUB**

- The club is as busy as ever with lots taking place on the water. In addition to great turnouts during the Training and Development activities we are averaging 20 boats on the water for racing on Wednesdays and Sundays, which is superb for such a small club (with an event smaller boat pound). A few weeks ago Felpham once again retained the Tythe Barn interclub trophy (between Bognor, Pagham and ourselves), we had the top 18 boats out of the 54 competitors! We had a successful club Regatta, which too place alongside the national championships for the Solution class of boat and cadet of the month was won once again by Josie Kelly – well done.
- We have had great results away from the club – Jack Miller came 10<sup>th</sup> in the RS Aero Southern Championships and Mark Aldous, Callum Aldous and James Gerwat were 37<sup>th</sup>, 20<sup>th</sup> and 34<sup>th</sup> respectively at the DZero Nationals. Thank you for flying the FSC flag for us.
